Primary Mission Focus: Give Kids The World Village
Give Kids the World an 84-acre nonprofit resort in Central Florida providing weeklong, cost-free vacations to children with life threatening illnesses and their families. Our job will be serving in the kitchen, playing games and providing entertainment in the village. When we aren't needed at the Village, we'll be working with other Orlando agencies!

WHY?

More than any other trip we take as a youth program, lives are changed in radical ways on Summer Mission Trips! We do things we never thought possible because, why not?! We go where we've never been before and we are never the same. If we are truly to be Christ-like, we must serve others! Mission Trips are a great chance to be the hands and feet of Christ in a place we don't always see. It enables us to see with new eyes our own community when we return.

WHERE ARE WE STAYING?

We will be staying all together in a large home in the Champions Gate Neighborhood. We will have access to a pool as well as other fun entertainment options.
