LINDA'S LINES.....

How's everyone doing with those New Years' Resolutions?? Better than me, I hope! It seems as if January has flown by! I would like to apologize for not being able to go bowling with the group. I had been battling strep throat and really didn't feel up to it. I'm thankful to Tanya for being there with you all. Always feel free to let Tanya or I know of anything you would like to do as a group. We are planning on attending some plays and going to the movies as a group. You will receive an email on these as we confirm dates. If we don't have an email address for you, we will call

you. I want to personally thank all of you for continuing to support our group and Tanya and me. I promise, I may not do everything perfect, but it truly comes from the heart and I do care about each and everyone of you. May God Bless and lead and keep you in His perfect will. Sincerely, Linda Whisennant
